STAS ceiling hooks

Are you struggling with mangled paperclips in order to hang decorations or signage from your drop ceiling? There's an easier way!

With STAS ceiling hooks for drop ceilings, hanging lightweight materials from your drop ceiling will be as easy as pie. The hook can be slid over the ceiling profile in one move. A magnetic version is also available. Ideal for use in educational facilities, offices, healthcare institutions and government buildings.

HA10100	STAS drop ceiling hook white, max. 5 kg

STAS quality and innovation

STAS picture hanging systems is the innovative manufacturer of high-quality hanging systems. STAS exclusively employs the best materials and self-manages all manufacture. Our products have obtained many unique patents. The STAS smartspring even won a gold medal at the Inventor Congress of Geneva and the STAS cobra was awarded a Good Industrial Design Award. STAS minirail has received the Best Product Design Award for Decorative Accessories. That's why STAS systems are not just found in private homes, but also in the most prestigious museums, galleries, companies, educational-, healthcare- and government facilities all over the world.
